## Toy: Peace of Mind Booklets Available at District Office

*Free booklets contain forms for the Statutory Will and Durable Power of Attorney*

LANSING -- Senator Laura Toy, R-Livonia, today announced that free “Planning for Your Peace of Mind” booklets are available for constituents at her District Office, located at 29440 Joy Road in Livonia.

“The Peace of Mind booklet provides seniors and their families with valuable information on drafting a legally binding will in Michigan and creating a Durable Power of Attorney for Health Care,” Toy said. “I encourage constituents and seniors to stop by the district office and pick up a free copy of the Peace of Mind booklet.”

The “Planning for Your Peace of Mind” booklet contains information about making a will and designating medical care preference in case of incapacity. The booklet contains forms for organ donation, the Michigan Statutory Will, and the Durable Power of Attorney for Health Care. The booklet also contains a personal records form to allow family members to easily locate important legal and personal documents.

Senator Toy’s District Office is located at 29440 Joy Road in Livonia. The phone number for the district office is (734) 466-4257. The office is open from 9:30 a.m. until 1:00 p.m., and from 3:00 p.m. until 6:00 p.m. The office is closed between 1:00 p.m. and 3:00 p.m. to allow Senator Toy’s staff to conduct business in the field.

The state of Michigan updated the booklet in August of 2002.
